

2008 Carlyle Certified Refrigeration Partners Publishes New Web Site

SYRACUSE, N.Y., April 10, 2008 — Carlyle Certified Refrigeration Partners (CCRP) has launched its new Web site, www.carlyleccrp.com. The site contains links to CCRP's complete *2008 Parts and Equipment* catalog of approximately 19,000 refrigeration items, as well as the *CCRP Overview* brochure which gives details about how our network of wholesalers can work for you. The site also showcases products, such as Carlyle compressors, various name-brand parts and supplies and Carrier commercial refrigeration equipment — and includes current contact information and a store locations map.

The Web site also provides access to technical literature for Carlyle compressors and the premier line of Carrier refrigeration equipment, available only from your local Carlyle Certified Refrigeration Partner.

About Carlyle Certified Refrigeration Partners

Carlyle Certified Refrigeration Partners (CCRP) is a North American network of more than 130 stores specializing in the refrigeration wholesale market, offering thousands of name-brand parts and supplies. CCRP is the only source for the premier line of Carrier refrigeration equipment and ice machines and is part of Carrier Corp., the world's largest provider of heating, air-conditioning and refrigeration solutions. Carrier Corp. is part of United Technologies Corp. (NYSE:UTX), a Hartford, Conn.-based provider of products and services to the aerospace and building systems industries worldwide.

For more information about the CCRP network of wholesalers, aftermarket products and store locations, visit www.carlyleccrp.com. For more information about Carrier products and services, visit www.carrier.com.
